## #1 Donate to Marianne Williamson's Presidential Campaign

We have an amazing candidate and an amazing campaign! Now we just need to scale up...

Once people hear Marianne's message, they love her! The vast majority of Americans, including Democrats AND Republicans, WANT the policies she's advocating for... they are in fact what every other advanced democracy provides.

We need paid advertising to get Marianne's powerful message in front of more people. And unfortunately, our current political system requires hundreds of thousands of dollars just to get on the ballots.

The good news is that we have a dedicated team that knows how to maximize the impact of our paid ads.

That's why every contribution makes a big difference to this campaign!

Here are the contribution rules:

1. I am a U.S. citizen or lawfully admitted permanent resident (i.e., green card holder).
2. This contribution is made from my own funds, and funds are not being provided to me by another person or entity for the purpose of making this contribution.
3. I am at least eighteen years old.
4. I am not a federal contractor.
5. I am making this contribution with my own personal credit card and not with a corporate or business credit card or a card issued to another person.

Contributions to The Marianne Williamson for President Campaign are not tax deductible. Individuals may contribute up to \$3,300 (Primary) or \$6,600 total (General) per election.

If able, you are encouraged to send in \$6,600 now to raise Marianne's financial profile. Should she not be chosen as the Democratic candidate, \$3,300 will be refunded to you next year.

Federal multi-candidate PACs may contribute up to \$5,000 per election.

Contributions from corporations, national banks, government contractors and foreign nationals who are not admitted for permanent residence are prohibited. All contributions must be made from personal funds and may not be reimbursed by any other person.
